Student Mail Boxes

Don’t forget that each dancer has a student mail box located by the office door. Check your student’s mailbox often for WDA handouts and account updates. You can also drop off your tuition payments or write the office a note (first two slots in top drawer).

Company Attire

Please make sure your dancer is following the [Company Dress Code](#). This creates unity and ensures that our instructors are able to see each dancer’s correct alignment and positioning.
