Student Mail Boxes

Don’t forget that each dancer has a student mail box located by the office door. Check your
student’s mailbox often for WDA handouts and account updates. You can also drop off your
tuition payments or write the office a note (first two slots in top drawer).

Company Attire

Please make sure your dancer is following the [Company Dress
Code](#). This creates unity and ensures that our instructors are
able to see each dancer's correct alignment and positioning.
