House Rules

Video & Photography

The use of recording devices of any kind is strictly prohibited in the theatre. Thunderstruck does not allow the use of audience photography or videography of onstage performances for the protection of our competitor's. We urge all studio owners, teachers, and especially parents to keep our performers photographically safe. **The use of camera's may lead to point deductions and/or disqualification.** A professional photographer/videographer will be on site whenever possible.

Outside Vendors

Thunderstruck Dance Production makes every effort to align with reputable vendors (photographers, videographers, etc) at various events. However, Thunderstruck Dance Production is not responsible for any unfulfilled orders resulting in a financial loss for the customer that may be caused as a direct result from the business practice of its vendors.

Dressing Rooms and Lobby

The performance venue, lobby and dressing rooms will be opened 1 hour before the start of the competition and close a 1/2 hour after the last awards session. In the event that you require additional theatre and/or technical time to set-up a performance, please inform us prior to the event so logistics can be organized. Depending on the nature of these requirements, set-up, take-down or cleaning may be charged for this time.

Determining Age Divisions

- The age cut-off for the calculation for divisions is January 1st, 2012.
- For Duo/Trio's & Groups, if there is a decimal place, the total age is rounded down (the decimal place is dropped).
- Our registration system will calculate the proper division for your routines.
